

Holiday Schedule — Monroe, NC and Columbia, KY Closed December 26, 2016 through January 2, 2017

Let's work together to plan for your December needs.

You and your business are very important to Colfax Fluid Handling. So we wanted to share our holiday schedule this year well in advance. That way, we can plan ahead for your company's needs together.

Closing our operations in Monroe and Columbia from December 26 through January 2 gives our employees extra time to celebrate the traditions of their faiths with family and friends during this most special time of year.

And while we won't be taking any orders or shipping any products for that one week, we will be working with you and your team over the next few months to identify your product needs in December. Our top priority is to minimize any disruption to your business.

Just give your Colfax Fluid Handling contact a call with any questions or individual considerations.

We'll be returning to normal operations on January 3, 2017.

Sincerely,

Darryl Mayhorn
President and CEO
Colfax Fluid Handling
